Executive Summary

Axiom Corporation is a management and technology consulting company that provides information technology, engineering, professional services and consulting primarily to the federal government. In addition to technical offerings, we provide strategic planning, technical staff outsourcing, training, project management and organizational development services.

Axiom Corporation is certified by the SBA as an 8(a) company and a SDB. We are also a Service-Disabled Veteran-Owned Small Business (SDVOSB). Founded in 1988, we have been in business for over 20 years, and have very strong past performance history and long-standing client relationships. We pride ourselves on excellent customer service, building lasting relationships, and bringing on talented staff members, team members and partners who are among the best in their fields. The company is headquartered in Atlanta, GA, with an office in Arlington, VA (Crystal City).

Axiom Corporation is exceptionally skilled in the technical areas of IT Assessment and Planning, Information Assurance, Software Independent Verification and Validation (IV&V), Disaster Recovery/Business Continuity, System Engineering and Capability Assessment, Modeling & Simulation, Test & Evaluation, Technical Assistance (SETA) Support, Engineering Support, and Verification, Validation and Accreditation (VV&A).

In addition, we are highly skilled in the areas of Project Management, Program Management, Strategic Planning, Communications Planning, Training, Technical Staff Outsourcing and Document Scanning and Indexing.

Axiom has aligned with large organizations including Northrop Grumman, Computer Sciences Corporation (CSC), ManTech SRS Technologies and S3 Inc., giving us the ability to fulfill complex requirements in IT and engineering services and management.

Some of our clients include the U.S. Navy, U.S. Air Force, Missile Defense Agency, Johns Hopkins University Applied Physics Laboratory, Metropolitan Atlanta Rapid Transit Authority (MARTA), and select large government contractors.

Axiom's financial practices and accounting system are aligned with government contracting requirements. We passed a DCAA pre-award audit in 2008 with very favorable results and no requirement for follow-up reviews.
